Hi Geoff,
Sorry that you have met a problem with our item.
May I know, is it available for you to send a video to us as a reference? It will be more clearer for us to find out the exact reason and help you. Is that OK?
My mail is: 2850869837@qq.com
If it is inconvenient for you to send it, please kindly contact me again, I will give you another solutions.
Thank you in advance!

Hi
I purchased this screen & the touch screen doesn't work. There is also a permanent tiny green illuminated dot in the screen when the display is on. It powers up and the display is fine (except for the green dot) but the touchscreen doesn't work. I have refitted the old screen & although it's pretty shattered the touch screen still works ok.
Please advise what I need to do.
Thanks
Geoff
